

Southwest Ada Little League (SWAdaLL) Refund Policy

The Southwest Ada Little League (SWAdaLL) Refund Policy is as follows:

Full Refund: Prior to the close of online registrations (approximately February 15), a full refund will be issued upon request. Late fees and online processing fees, if applicable, will not be refunded.

Half Refund: Between the close of online registrations and the first assessment date for the Juniors and Majors Baseball/Softball Divisions (Minors Baseball/Softball Division is included for the respective Majors assessment date), or the sending of rosters to the managers for the Prep-Minor, Rookie SB, and T-Ball Divisions, only half of the original registration fee will be refunded upon request. Late fees and online processing fees, if applicable, will not be refunded.

No Refund: After the first assessment date for the Juniors and Majors Baseball/Softball Divisions (Minors Baseball/Softball Division is included for the respective Majors assessment date), or the sending of rosters to the managers for the Prep-Minor, Rookie SB, and T-Ball Divisions, no refund will be given.

Special Considerations: If participation is insufficient to form a full team in any division at SWAdaLL, so that a combined team with another Little League is necessary for participation, a full refund of registration fees may be requested *at the time of notification*. Registration fees are transferred between leagues, so any requests after that time need to be taken up with the gaining league.

If a player makes a high school team after registering with SWAdaLL, a full refund of registration fees may be requested as well.

Executive Decision: The SWAdaLL President, with the approval of the SWAdaLL Executive Board of Directors, retains the right to issue a full or partial refund for a justifiable reason during any period prior to the first game of the season, after which no refunds will be issued for any reason. Justifiable reasons include loss of job, military transfer, broken bones, etc., but proof of such reason will be expected (statement of termination, military orders, doctor's orders, etc). Reasons for which no consideration will be given include poor assessments, unhappiness with placement on a team, bad grades, double-booking with other extra-curricular activities, etc.
